

# Activate License

## Summary

This article explains the procedure to activate your MachPanel license.

## Applies To

MachPanel all versions

## Solution

Thank you for purchasing MachPanel.

Please note that MachPanel is installed as "**Lite Edition**" by default. In order to get it activated as per your order, please follow the steps below:

### License Activation:

1. Please send us your MachPanel License ID using the contact form on our website with details of your purchase. You can find your License ID by navigating to the following path in your MachPanel Control Panel: **Home >> System Configuration >> License Management >> Licenses**
2. Once we receive the License ID, we will modify our client management system for your license and you will be updated about the changes.

Home > System Configuration > License Management Set as Home Page

Licenses About MachPanel
