

Create a Customer in MachPanel

Summary

This article describes in detail about creating a new customer in MachPanel

Applies To

MachPanel All versions.

Pre-requisites

MachPanel Control Server has been installed, if not then follow below KB article:

<http://kb.machsol.com/Knowledgebase/Article/50261>

MachPanel Remote Server has been installed, if not then follow below KB article:

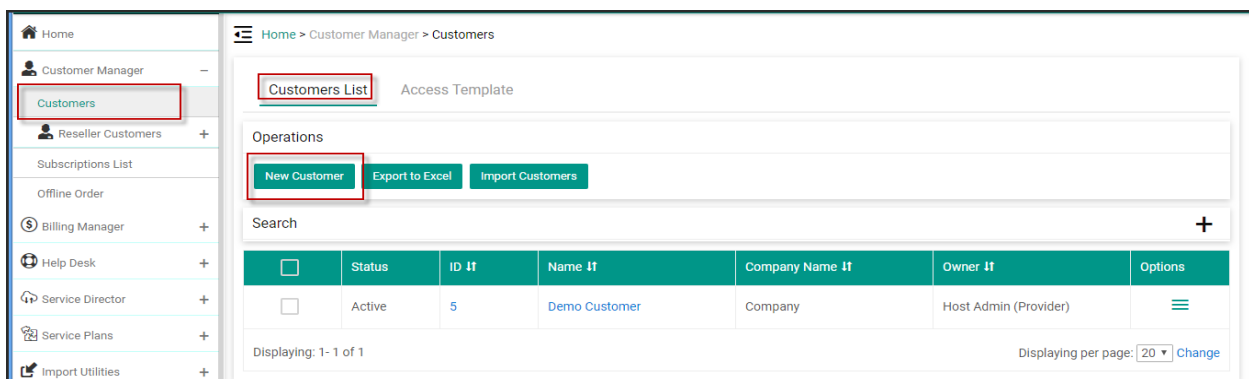

<http://kb.machsol.com/Knowledgebase/Article/50262>

Also make sure that MachPanel Control Server and MachPanel Remote Server should be on the same build and that MachPanel Provisioning Service is running on both servers

More Information

Open MachPanel Control Panel Website (You can do it by opening MachPanel Control Server Configuration Studio and then navigating to **Configure > Control Panel Website**, and then clicking on the URL in it). Log in with the provider credentials

Navigate to **Home » Customer Manager » Customers** and then click on **New Customer**.

The screenshot shows the MachPanel Customer Manager interface. The left sidebar contains a navigation menu with items like Home, Customer Manager, Customers, Reseller Customers, Subscriptions List, Offline Order, Billing Manager, Help Desk, Service Director, Service Plans, and Import Utilities. The main content area is titled 'Home > Customer Manager > Customers'. It features a 'Customers List' header with an 'Access Template' link. Below this is an 'Operations' section with three buttons: 'New Customer' (highlighted with a red box), 'Export to Excel', and 'Import Customers'. A search bar is present above a table of customers. The table has columns for checkboxes, Status, ID, Name, Company Name, Owner, and Options. One customer is listed: 'Demo Customer' with ID '5', Status 'Active', and Owner 'Host Admin (Provider)'. At the bottom, it shows 'Displaying: 1- 1 of 1' and 'Displaying per page: 20 Change'.

<input type="checkbox"/>	Status	ID	Name	Company Name	Owner	Options
<input type="checkbox"/>	Active	5	Demo Customer	Company	Host Admin (Provider)	

Create a Customer in MachPanel
