Applies To

This article applies to MachPanel Build v7.3.60 and below.

Customer Manual

- For online viewing click on this link. View the [Customer manual here](#).
- Please download Customer Help files in **PDF & CHM format** from attachment/download section below.
 - o If CHM files are blocked do following:
 1. **Windows 10:** Run Windows Explorer, right-click on the CHM file, and select Properties from the popup menu. Click on the Unblock button immediately below the Advanced button on the General page. Click Apply to show the content. Once the CHM file has been unblocked, the Unblock button disappears.
 2. **Mac:** Download **CHM reader** and open CHM files.
