

Authenticate Active Directory user (Staff, Customer and Contact).

### Summary

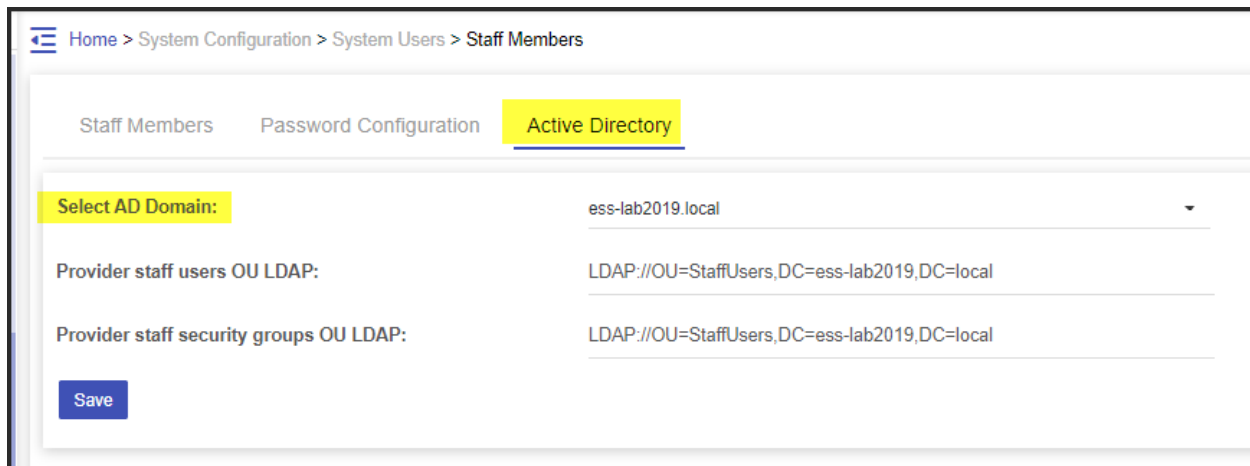

This article provides summary on how to authenticate Active Directory user credentials (Staff, Customer and Contact) to login to MachPanel.

### Applies To

Applies to MachPanel build v6.1.30

### Active Directory configuration:

- In order to configure authentication Active Directory **users** and **security groups** navigate to the following path: **Home > System Configuration > System Users > Staff Members**
- Select **Active Directory** tab as shown below:

The screenshot shows the MachPanel configuration interface. The breadcrumb navigation is "Home > System Configuration > System Users > Staff Members". There are three tabs: "Staff Members", "Password Configuration", and "Active Directory", with "Active Directory" selected and highlighted in yellow. Below the tabs, there are three configuration fields:

Select AD Domain:	ess-lab2019.local
Provider staff users OU LDAP:	LDAP://OU=StaffUsers,DC=ess-lab2019,DC=local
Provider staff security groups OU LDAP:	LDAP://OU=StaffUsers,DC=ess-lab2019,DC=local

A blue "Save" button is located at the bottom left of the configuration area.

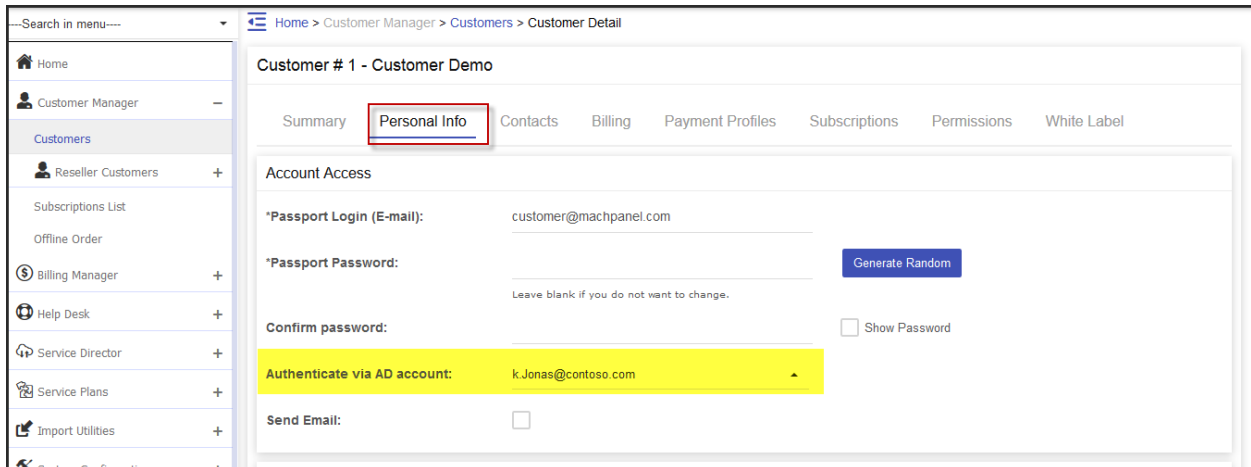

1. Select Ad Domain
2. Provider staff users OU LDAP
3. Provider staff security groups OU LDAP
4. Click **Save** when done.

**Active Directory user credentials (Staff, Customer and Contact) Authentication**

## Customers

## Authenticate Active Directory user (Staff, Customer and Contact).

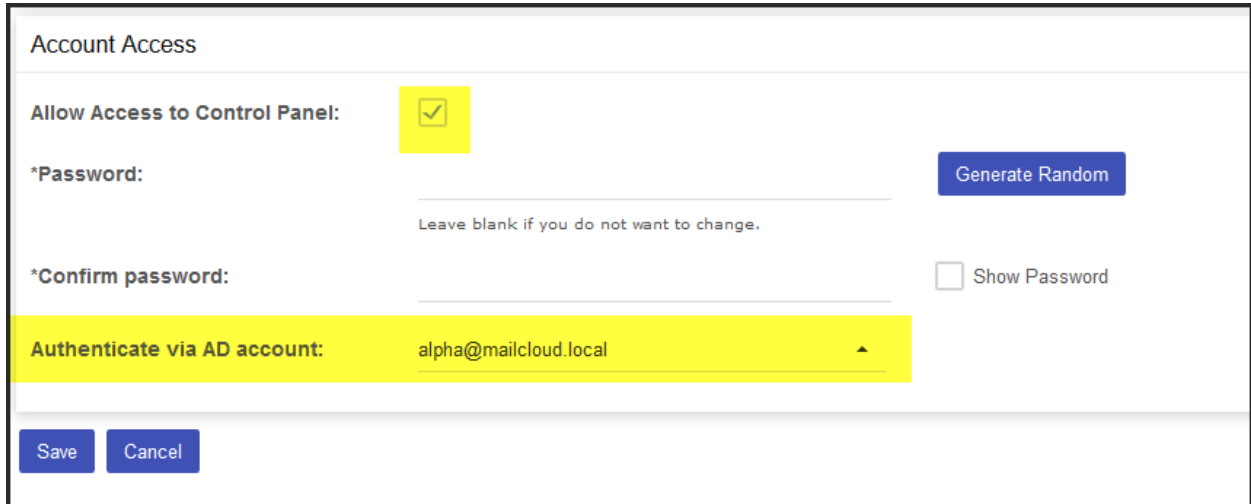

- Click on customer Name and select **Personal Info** tab

The screenshot shows the 'Customer # 1 - Customer Demo' page in the 'Customer Manager' section. The 'Personal Info' tab is selected and highlighted with a red box. The page contains several fields for account access: 'Passport Login (E-mail)' with the value 'customer@machpanel.com', 'Passport Password' with a 'Generate Random' button, and 'Confirm password' with a 'Show Password' checkbox. A yellow highlight is placed over the 'Authenticate via AD account' field, which currently shows 'k.Jonas@contoso.com'. There is also a 'Send Email' checkbox.

## Contact of Customer

- On Add/Edit Contact select Allow access to Panel.
- Select AD user

The screenshot shows the 'Account Access' form. The 'Allow Access to Control Panel:' checkbox is checked and highlighted with a yellow box. Below it are fields for '\*Password:' and '\*Confirm password:', both with 'Generate Random' buttons. A 'Show Password' checkbox is also present. A yellow highlight is placed over the 'Authenticate via AD account:' field, which shows 'alpha@mailcloud.local'. At the bottom, there are 'Save' and 'Cancel' buttons.

## Staff User

- Click **Edit** in from of a Staff User/Member and provide UPN of AD account to authenticate.

Authenticate Active Directory user (Staff, Customer and Contact).
