

Authenticate Active Directory user (Staff, Customer and Contact).

Summary

This article provides summary on how to authenticate Active Directory user credentials (Staff, Customer and Contact) to login to MachPanel.

Applies To

Applies to MachPanel build v6.1.30

Active Directory configuration:

- In order to configure authentication Active Directory **users** and **security groups** navigate to the following path: **Home > System Configuration > System Users > Staff Members**
- Select **Active Directory** tab as shown below:

The screenshot shows the MachPanel configuration interface for Active Directory authentication. The breadcrumb path is "Home > System Configuration > System Users > Staff Members". The "Active Directory" tab is selected and highlighted in yellow. Below the tabs, there are three configuration fields:

Select AD Domain:	ess-lab2019.local
Provider staff users OU LDAP:	LDAP://OU=StaffUsers,DC=ess-lab2019,DC=local
Provider staff security groups OU LDAP:	LDAP://OU=StaffUsers,DC=ess-lab2019,DC=local

A "Save" button is located at the bottom left of the configuration area.

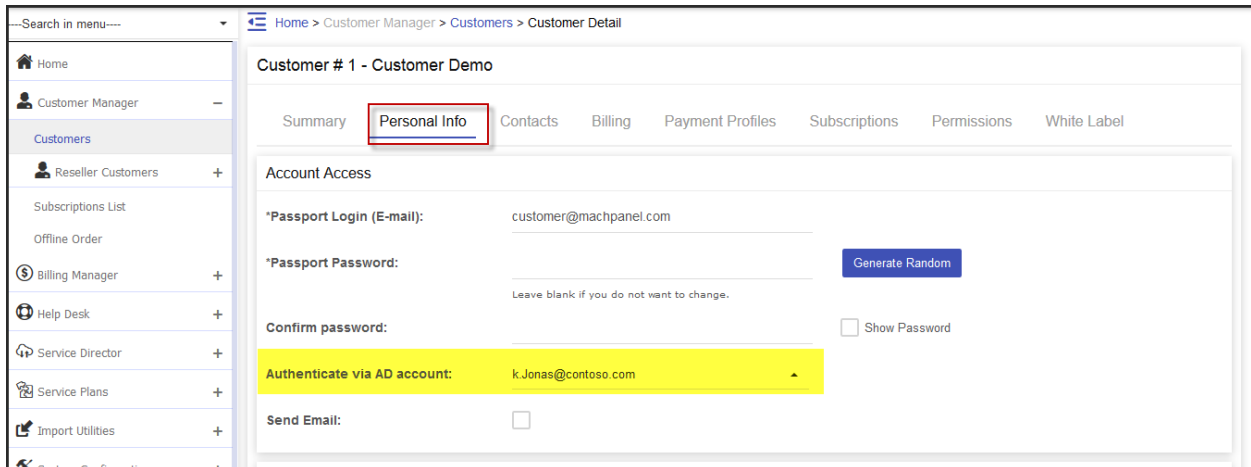

1. Select Ad Domain
2. Provider staff users OU LDAP
3. Provider staff security groups OU LDAP
4. Click **Save** when done.

Active Directory user credentials (Staff, Customer and Contact) Authentication

Customers

Authenticate Active Directory user (Staff, Customer and Contact).

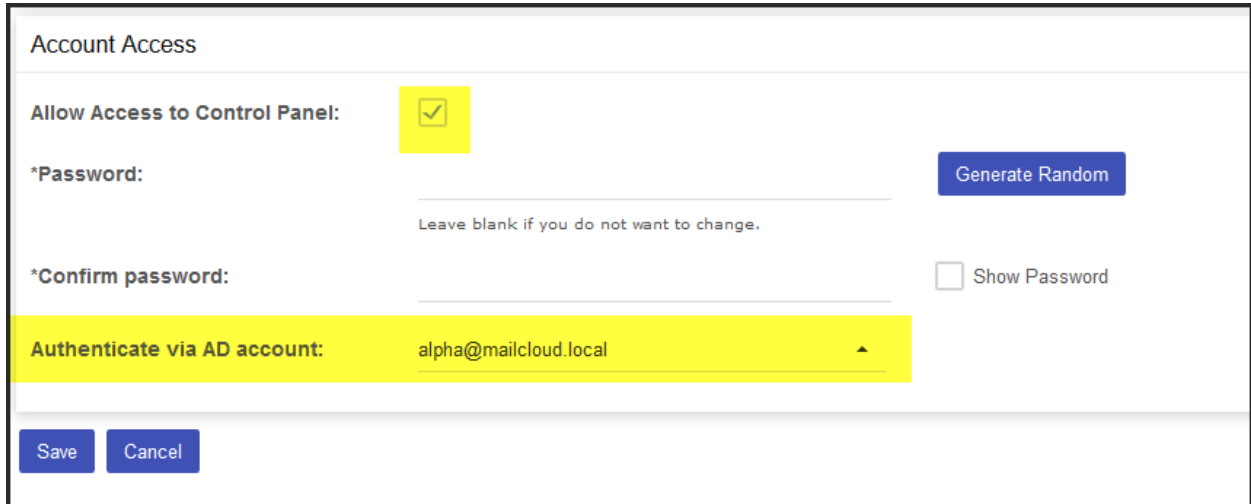

- Click on customer Name and select **Personal Info** tab

The screenshot shows the 'Customer # 1 - Customer Demo' page. The 'Personal Info' tab is highlighted with a red box. The 'Account Access' section is visible, containing fields for 'Passport Login (E-mail)', 'Passport Password', 'Confirm password', 'Authenticate via AD account', and 'Send Email'. The 'Authenticate via AD account' field is highlighted in yellow and contains the value 'k.Jonas@contoso.com'. There are also 'Generate Random' and 'Show Password' buttons.

Contact of Customer

- On Add/Edit Contact select Allow access to Panel.
- Select AD user

The screenshot shows the 'Account Access' form. The 'Allow Access to Control Panel:' checkbox is checked and highlighted in yellow. The 'Authenticate via AD account:' field is highlighted in yellow and contains the value 'alpha@mailcloud.local'. There are 'Save' and 'Cancel' buttons at the bottom.

Staff User

- Click **Edit** in from of a Staff User/Member and provide UPN of AD account to authenticate.

Authenticate Active Directory user (Staff, Customer and Contact).
