## 1. Add Subscription

You need to add the required Offers/Add-ons under the service plan and change package (if needed). Then click **Add subscription** to add a new subscription.

## 2. Import Subscriptions

You can **Import Subscriptions** to existing tenant from backend (Direct/Indirect Partner). See More details on integrating **TechData (Indirect Partner)**

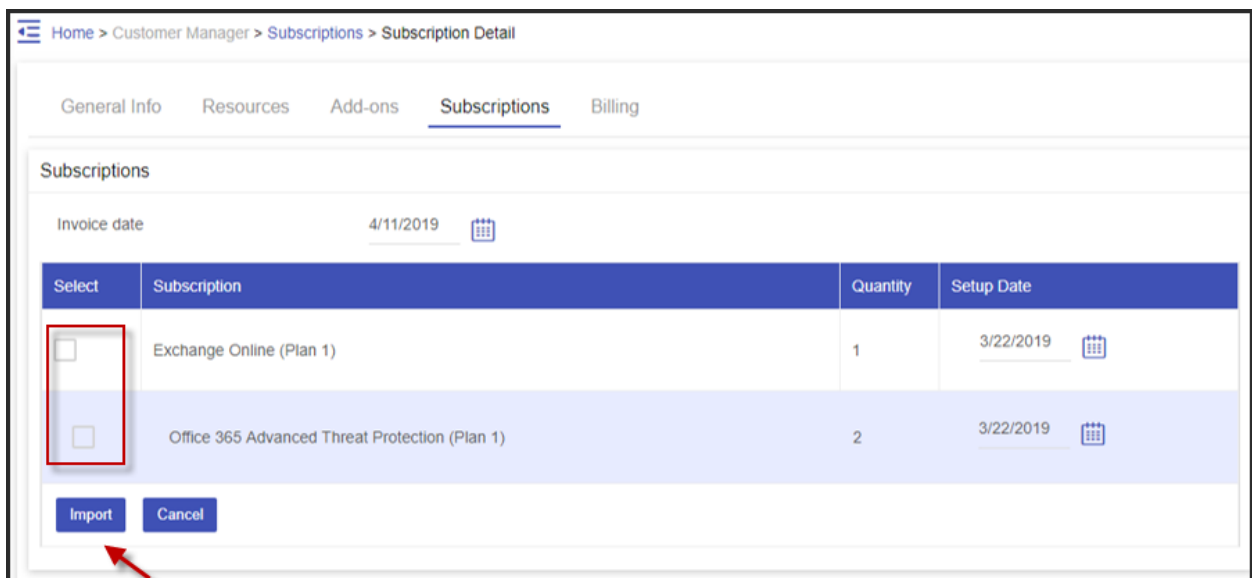

<https://kb.machsol.com/Knowledgebase/55604/TechData-Distributor-Indirect-Partner-Integration>

The screenshot shows the 'Operations' section with three buttons: 'Add subscription', 'Import Subscriptions', and 'Sync Subscriptions Quantity and End Date'. A red arrow points to the 'Import Subscriptions' button. Below this is the 'Subscriptions' section with a table.

Subscription Name	Offer Name	Status	Quantity
Office 365 Business Renews in 24940 Day(s) on 31.12.2090	Office 365 Business	Suspended	1

- Select tenants and click **Import**.

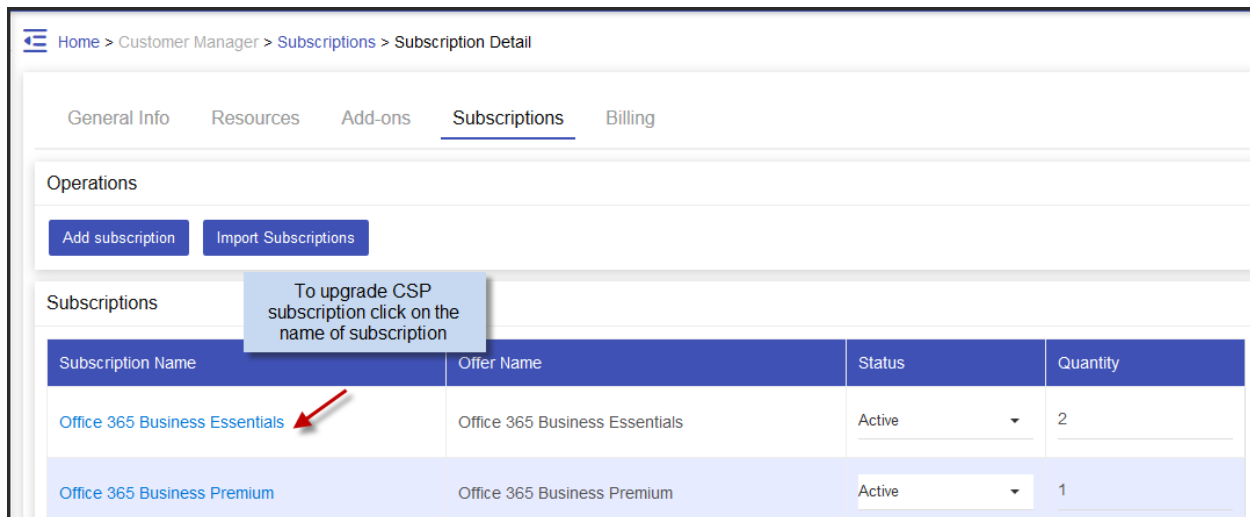

The screenshot shows the 'Subscription Detail' page with tabs for 'General Info', 'Resources', 'Add-ons', 'Subscriptions', and 'Billing'. The 'Subscriptions' tab is active. Below the tabs is a table with columns 'Select', 'Subscription', 'Quantity', and 'Setup Date'. Two rows are listed: 'Exchange Online (Plan 1)' and 'Office 365 Advanced Threat Protection (Plan 1)'. A red box highlights the 'Select' column checkboxes. Below the table are 'Import' and 'Cancel' buttons. A red arrow points to the 'Import' button.

## 3. Upgrade Subscriptions

# Microsoft CSP Subscriptions Management

You can upgrade the existing subscriptions along with Add-ons.

Select new Offer or available add-ons and **Save**.

## 4. Increase/Decrease License Quantity

To increase/decrease the license quantity just change the number under **Quantity** column and click **Update**.

## 5. Status (Active/Suspended)

## Microsoft CSP Subscriptions Management

You can also change the **status** of a subscription to Active/Suspended and click **Update** once done.

### 6. Convert Trial Offers

Handling of trial offers (Order and Conversion) is now available via MachPanel Interface.

- To subscribe **Trial Offers**, select Offers/Add-ons in **Service Plan** (Offers) section as shown below:

The screenshot shows the 'Offers' section of the Microsoft CSP Subscriptions Management interface. The breadcrumb trail is 'Home > Service Plans > Microsoft CSP Products >'. The 'Offers' tab is selected, and a button 'Sync Offers/Addons from O365' is visible. Below this, there is a search bar 'Type to search' and a list of offer types: Enterprise, Nonprofit, Small business, and Trial. A red arrow points to the 'Trial' option. At the bottom right, there are buttons for 'Finish', 'Cancel', 'Previous', and 'Next'.

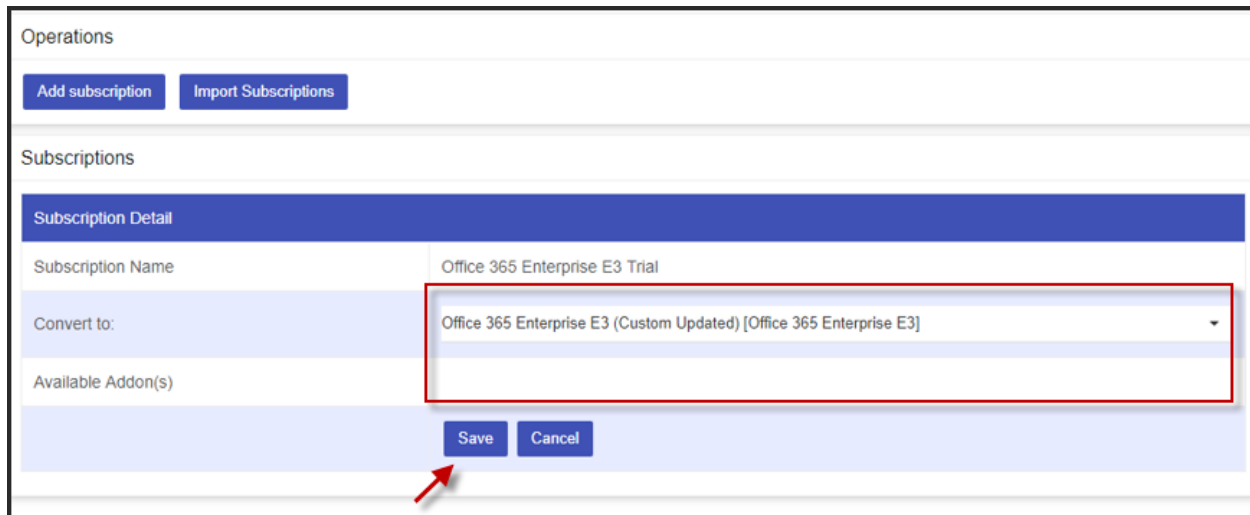

- Trial offers do NOT support **quantity** update and **status (Active/Suspended)** update.

The screenshot shows the 'Subscriptions' section of the Microsoft CSP Subscriptions Management interface. The breadcrumb trail is 'Home > Customer Manager > Subscriptions > Subscription Detail'. The 'Subscriptions' tab is selected, and buttons for 'Add subscription' and 'Import Subscriptions' are visible. Below this, there is a table with the following columns: Subscription Name, Offer Name, Status, and Quantity. Two red arrows point to the 'Status' and 'Quantity' column headers. The table contains two rows of data: 'Office 365 Enterprise E3 Trial' and 'Office 365 Enterprise E5 Trial'. At the bottom right, there is an 'Update' button.
