1. Important Prerequisites

1. MachPanel Control Server 6.1.30 or earlier
2. MachPanel Remote Server 6.1.30 or earlier

NOTE: Microsoft **.Net Framework 4.5.2** is **mandatory** and must be installed. This is not the same as .Net 4.5 under windows in features. This version of the .NET Framework runs side-by-side with the .NETFramework 3.5 SP1 and earlier versions, but performs an in-place update for the .NET Framework 4, .NET Framework 4.5 and .NET Framework 4.5.1.

Please download and install from link below:
