Import Purchase Price and Sales Price from Microsoft

1. A new option is added to allow import of CSP Offers price under Microsoft CSP Profiles section. This allows you to import Purchase Price and Sale Price from Microsoft for CSP Offers and Add-ons and then use it.
2. Navigate to the following Path: **Home > Service Director > Microsoft CSP > Microsoft CSP Profiles**
3. Select **CSP Offers Price** tab and click **Add Offers Price Listing**. You can perform search based on CSP Profile, Payment Group, Offer Name, Date from, date to etc.

The screenshot shows the 'Microsoft CSP Profiles' page with the 'CSP Offers Price' tab selected. The page includes a search bar with fields for 'Select CSP profile', 'Select Payment Group', and 'Offer Name'. Below the search bar are date filters: 'Date after: 13.12.2020' and 'Date before: 13.12.2021'. A 'Search' button is located below the date filters. In the 'Operations' section, the 'Add Offers Price Listing' button is highlighted with a red box.

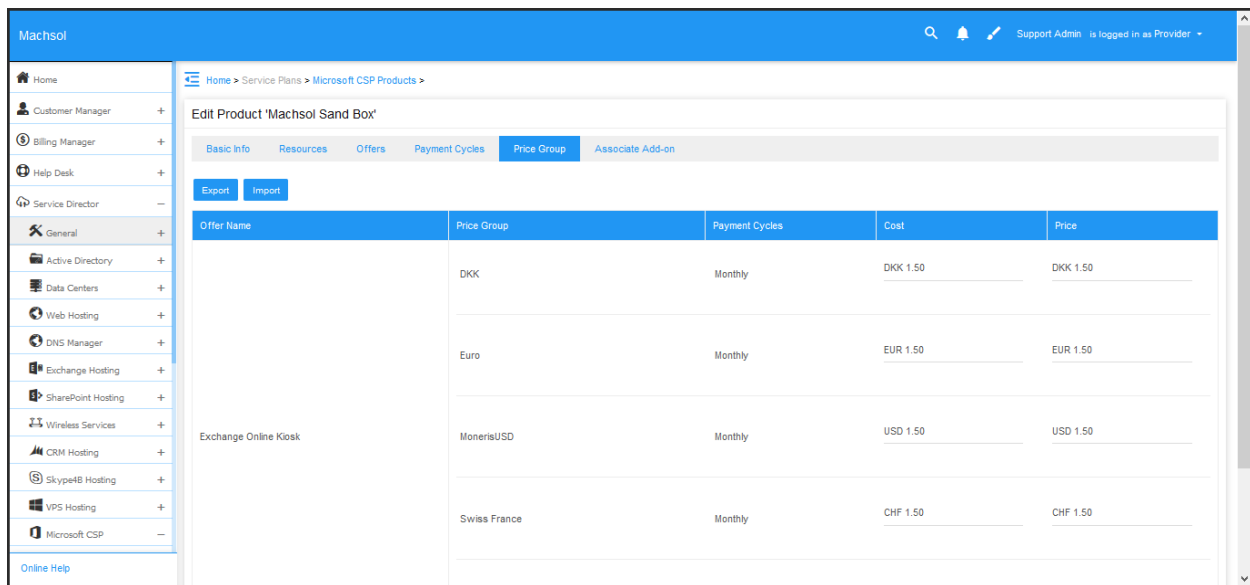

The screenshot shows the 'Add Offers Price Listing' form. It includes a 'Select CSP profile:' dropdown, a '*Select Microsoft price sheet:' dropdown with a 'Select file' button, a 'Billing cycle:' dropdown set to 'Monthly', and a '*Profit to add:' field. There is a checkbox for 'Update pricing for existing packages:' which is checked. Below this are radio buttons for 'Customer packages' (selected) and 'Reseller packages'. A 'Select package' section has a 'Type to search' input and a 'Selectable' list box containing 'CSP 64/0'. To the right of the list box are navigation buttons: '<', '>', '<<', and '>>'. A 'Selected' list box is on the far right. At the bottom, there is a 'Send email:' checkbox and 'Save' and 'Cancel' buttons.
