## Add Active Directory Organization Password Policy

The screenshot shows a configuration window for adding a password policy. At the top, there is a text area for a description and a list of checkboxes for various policy options. Below this, the 'Account will be Locked out for Duration of (mins):' is set to 30. The 'Applies to:' section has a search bar with the text 'Type and press enter to search'. Below the search bar are two list boxes: 'Selectable' on the left and 'Selected' on the right. Between these boxes are four green buttons: '>|', '<|', '>', and '<'. At the bottom left are 'Save' and 'Cancel' buttons.

Account will be Locked out for Duration of (mins): 30

Applies to:

Type and press enter to search

Selectable

Selected

Save Cancel

- Give the required details and click **Save**
- Once done you can now go to **Defaults** menu and from **Password Policy** section select the added Policy and click **Save**
