

Creating Shared/Web Hosting Products/Service Plan

Summary

This article provides information on how to create Shared/Web Hosting Products/Service Plan in MachPanel

Applies To

This applies to all build version of MachPanel.

Shared/Web Hosting Plan Management

MachPanel Supports shared hosting plans provisioning on supported providers. Hosting Plans are created through powerful Service Plan Wizard.

To create a hosting plan, navigate to following path: **Home >> Service Plans >> Hosting Products**

Click **Add New Product** button.

```

Creating Shared/Web Hosting Products/Service Plan

When the page loads, you will see the following settings:

1. **Product Type:** Select **Shared Hosting** from the drop-down list.
2. **Control Panel:** If you select Shared Hosting or Reseller Hosting product type then you will see this box. It lets you select the control panel you are using for the product provisioning.
3. **Server Group:** If you select Shared Hosting or Reseller Hosting product type then you will see this box. It lets you select the server group where this package will be provisioned.
4. **Product Name:** Enter the name of your product.
5. **Is Active:** Select No if you want to disable this product selling.
6. **Select Package Type:** You need to select one of following for package type:
 - a. Web Hosting
 - b. DNS Only
 - c. Database Only
 - d. Mail Only
7. **Allow Prorate:** Select Yes if you want to allow pro-rated billing (applicable only if billing system is in Pro-rate mode).
8. **Associate Addon:** You may want to associate addon with this product. Your choices are:
 - a. Optional
 - b. Required
 - c. Suppressed
9. **Associate Domain:** Select how you want to associate domains with this product. Your choices are:
 - a. Optional
 - b. Required
 - c. Suppressed
10. **Date:** This is date set by the system (not editable).
11. **Enabled For Commission Reseller(s):** If you check this option the Customer Product Plan will be enabled for Commission type Resellers. (Visible only if Commission Type Reseller option is enabled in Built-in Module.)
 - a. All Resellers
 - b. Select Resellers
12. **Product Comments:** Enter any comments you want to associate with this product.

Creating Shared/Web Hosting Products/Service Plan

Resources: You need to select Resources as per your requirement. For e.g if you have selected Web hsting in package type, you need to provide all the required required detail related to a website.

1. If you have selected **Database Only** then provide details related to Databases.
2. If you have selected **Mail Only** then provide details related to Mail.
3. If you have selected **DNS Only** then provide details related to DNS

The screenshot shows the 'Add New Product' form with the 'Resources' tab selected. The form is divided into several sections: 'Usage Quota', 'WebSites and FTP', 'Scripting', 'Databases', 'Mail', 'Statistics and Tracking', 'DNS', and 'Performance'. Each section has a plus sign on the right. The 'Usage Quota' section is expanded, showing fields for 'Bandwidth per domain (MB)', 'Disk Space per domain (MB)', 'Count database disk usage', 'Count emails disk usage', and 'Count website log disk usage'. Each field has a checkbox and a value of 'Unlimited'.

Payment Cycles: This form lets you select Payment Cycles for the plan. You must select at least one payment cycle and payment group. Select the payment cycle and click right arrow button to move it to Selected Cycles list. Select the payment group and click right arrow button to move it to Selected Payment Groups list.

The screenshot shows the 'Add New Product' form with the 'Payment Cycles' tab selected. The form is divided into several sections: 'Payment Cycles', 'Payment Groups', 'Selected Cycles', and 'Selected Payment Groups'. Each section has a plus sign on the right. The 'Payment Cycles' section is expanded, showing a list of payment cycles: 'Monthly', 'Quarterly', 'Half Yearly', 'Yearly', 'Bi-Monthly', 'Bi-Quarterly', 'Bi-Half Yearly', and 'Bi-Yearly'. Each item has a right arrow button. The 'Payment Groups' section is also expanded, showing a list of payment groups: 'Monthly', 'Quarterly', 'Half Yearly', 'Yearly', 'Bi-Monthly', 'Bi-Quarterly', 'Bi-Half Yearly', and 'Bi-Yearly'. Each item has a right arrow button. The 'Selected Cycles' and 'Selected Payment Groups' sections are empty.

Creating Shared/Web Hosting Products/Service Plan

Price Group: This form lets you set prices for the Payment Cycles and Payment Groups you have selected in the previous step. Here you may set:

1. Setup Price
2. Price
3. Discount
4. Renewal Price
5. Transfer Price

Enter prices in each box.

The screenshot shows the 'Add New Product' form with the 'Price Group' tab selected. The breadcrumb navigation is 'Home > Service Plans > Hosting Products > Add Product'. A 'Set as Home Page' button is in the top right. The form has tabs: 'Basic Info', 'Resources', 'Payment Cycles', 'Price Group' (active), 'Upgrade/Downgrade', and 'Associate Add-on'. Below the tabs is a table with five columns: 'Price Group', 'Payment Cycles', 'Setup Price', 'Price', and 'Discount'. The 'Price Group' column contains 'US Dollar' and the 'Payment Cycles' column contains 'Monthly'. The other three columns are empty text boxes. At the bottom right are 'Cancel', 'Previous', and 'Next' buttons.

Price Group	Payment Cycles	Setup Price	Price	Discount
US Dollar	Monthly			

Possible Product Upgrade / Downgrade: Here you may configure the upgrade and downgrade behavior of this product.

The screenshot shows the 'Add New Product' form with the 'Upgrade/Downgrade' tab selected. The breadcrumb navigation is 'Home > Service Plans > Hosting Products > Add Product'. A 'Set as Home Page' button is in the top right. The form has tabs: 'Basic Info', 'Resources', 'Payment Cycles', 'Price Group', 'Upgrade/Downgrade' (active), and 'Associate Add-on'. Below the tabs, there are two sections: 'Product may Upgrade to:' and 'Product may Downgrade to:'. Each section has a 'Type and press enter to search' prompt, a 'Selectable' text box, a 'Selected' text box, and four navigation buttons (left, right, up, down). In the 'Upgrade' section, the 'Selected' box contains 'Webhosting (MS DNS, MailEnable, MS IIS, MS FTP, SmarterStats, MS SQL)'. In the 'Downgrade' section, the 'Selectable' box contains 'Webhosting (MS DNS, MailEnable, MS IIS, MS FTP, SmarterStats, MS SQL)'. At the bottom right are 'Cancel', 'Previous', and 'Next' buttons.

Creating Shared/Web Hosting Products/Service Plan

Associate Addon: This form lets you associate addon with your domain name. Your client may buy these addon using online store or order them through their customer control center.

The screenshot shows a web interface for adding a new product. At the top, there is a breadcrumb trail: Home > Service Plans > Hosting Products > Add Product. A 'Set as Home Page' button is in the top right. Below the breadcrumb is the title 'Add New Product'. A horizontal tab bar contains 'Basic Info', 'Resources', 'Payment Cycles', 'Price Group', 'Upgrade/Downgrade', and 'Associate Add-on' (which is selected). Below the tabs, there is a search prompt: 'Type and press enter to search'. The main area is divided into two columns: 'Selectable' on the left and 'Selected' on the right. The 'Selectable' column is empty. The 'Selected' column contains the text 'FTP'. Between the two columns are four small blue buttons with white arrows: up, down, left, and right. At the bottom right of the form are three buttons: 'Cancel', 'Previous', and 'Finish'.

Click **Finish** button to complete product setup.
